Wilson's Conversion
to the Catholic Church**

The victory was yours.

*My heart confesses a perpetual
recognition to you!*

(Venerable Sister Wilson 30.04.1873)

15.01.2023 - 15.01.2024

Lord our God, "Our Father and Best Friend."

We turn to You in this celebratory moment The 150 years of Sister Wilson's conversion to the Catholic Church.

Like her, we want to walk in an attitude of search, In the search for Truth and Your will.

We want to seek in the power of the Eucharist, the daily food, letting us always lead by Your Spirit Which is an inexhaustible source to inspire Love and self- giving, In all our mission.

With Mary, Our Lady of Victories, our "Dearest Mother" we want to consecrate and give our life, with all that she is and has.

We want, with Venerable Sister Wilson, to acknowledge your powerful intercession and to say like her: "the victory was yours my heart confesses a perpetual recognition to you".

Increase O Lord, our faith, strengthen our hope and confirms us in charity, so that in fidelity to Sister Wilson's Charism, we always live centered on You, With all our love and trust. Amen

Venerable Sister Wilson:

Pray for us.
